## Sports Committee

Academic Year 2023-2024

*"Sports do not build character, they reveal it"*

It is not the best group of individuals that wins, it's the team that fits together the best that wins. Sports teaches us not only how to be a team player but also to lead and never give up. Through the help of sports, the committee strives to bring people together and build a vibrant sporting culture at Abhinav Education Society's Law College. We believe that Sports is the best teacher in life, and it teaches us to take the challenge by the horn, step back if needed and jump high to score the winning basket.

The sports committee is formed for the systematic and smooth conduct of competitions/tournaments while organizing various sports events which help in the overall development of students. It is formed with an intention of instilling sportsmanship values such as fair play, ethical behaviour, integrity, and general goodwill towards an opponent. It conducts events ranging from on-field sports like cricket, badminton & indoor sports like carom, table tennis and chess.

The Sports Committee facilitates, arranges and encourages students to participate in institutional sports events. The Committee organizes training, coaching and education in sports for all the students so that they can learn how to keep themselves physically fit.

The committee helps in the selection of teams to represent the college in inter-collegiate tournaments and prepare the details of attendance exemption to be given to the students representing college in various sports and games
