COLLEGE GRIEVANCE REDRESSAL COMMITTEE

Abhinav Education Society's Law College has maintained a transparent yet equally efficient grievance redressal system for the college community. The College Administration is responsible for providing a safe, secure, and content learning environment to all the students and staff. The College Grievance Redressal Committee was established in 2017 as per the UGC regulations (2016) to cater to the needs of the various college sections. The Committee has played a vital role in the administration setup since its inception. Under the direct purview of the Head of the Institution, the Committee has been continuously striving to achieve a conducive and harmonious atmosphere for every stakeholder within the college community.

The grievances received by the principal are forwarded to the Committee, who then take turns solving the crisis at hand, depending on the seriousness of the issue. All students of the College reserve the right to appeal any academic matter for redressal. If any problem arises regarding disputes over grades, Course requirements, Staff conduct, excessive fines, etc., the student may file a grievance formally to the CGRC for official review. A Student Representative may assist the aggrieved student in presenting the case. The hearing of the matter is carried out as per the UGC guidelines of the Committee as well.

AIMS & OBJECTIVES:

1. To accept written grievances from students and staff related to the college apparatus.
2. To create a conducive learning atmosphere and implement an efficient mechanism to handle the reports.
3. Forward the findings/resolutions to the Management Body if necessary for further action.
4. To represent the valid grievances about the concerned section and redress the same.
5. To evaluate and validate the authenticity of the reported grievances with strict integrity, not undermining the gravity involved.
6. To conduct and convene meetings within the Committee to address the impending issues, whether solved or pending. And initiate follow-up till the final disposal.
