Academic Year 2024-25

STUDENT COUNCIL COMMITTEE

The Abhinav Education Society's Law College has constituted the Student Representatives Committee to engage the student community on a proactive basis. The class teachers were nominating student representatives for various activities held in the college. After the academic year, recognizing the need to make the constitution of the Student Representatives more student-oriented, the college completed its initiation in formulating the Student Council by inviting applications from each class annually. Applications received from respective class teachers were submitted to the core committee, consisting of the Principal, the Academic coordinator, and the faculty representatives. This core committee would further shortlist the candidates from the received applications and conduct interviews. The shortlisting of students for the Student Council is based on the below-mentioned eligibility criteria:

For the 1st year students, the academic performance during the pre-university course or the previous degree, along with their participation in co-curricular and extracurricular activities

For the subsequent year, students' attendance in previous semesters, academic performance, and participation in curricular, co-curricular, and extracurricular activities.

Further, the students shortlisted will be interviewed by the panel, and the final selection for the Student Council membership will be processed by the core committee members.

The Student Council plays an integral part in arranging various curricular, co-curricular, and other extension activities of the college. The activity of the student council commences with the Inauguration of college activities and Freshers' day celebration in the college, and further meticulously activates itself in hosting a series of events like seminars, conferences, and workshops. Student Council exquisitely assisted the college in conducting the Client Consultation & Interviewing Competition, Ad-Infinity, etc. The role of the Student Council is appreciable in organising.

The Student Council is part of various Student Welfare programmes. Recognizing the role of students in the policy making of the college, student members are appointed to various statutory committees such as the Anti-ragging Committee, Girl Student Grievance Cell, etc. Student role in assisting the statutory committees to understand the issues the student community faces is indispensable. The statutory committees redress the grievances faced by the student.

Other extension activities of the council include NSS, blood donation camps, awareness walks, activities relating to environmental issues, etc. In the extended activities of Student Council Maharashtra Din, Shiv Jayanti, and Ganesh Utsav are celebrated.

The Student Council meets once in every semester to keep track of its activities and for future course of action, to coordinate with other committee members for conducting activities in the college. The visionary role of student members facilitates building an efficient and effective Student Council in particular and thus contributes to the glory of the institution in general.
